March 2026

Unsubscription of an EQA-program

Log on deksonline.dk using your personal username and password.

Please use Microsoft Edge or Google Chrome. You cannot use Internet Explorer.

If you do not have access, the person appointed as the laboratory manager for DEKS can give you access.

The laboratory manager is also the one who can give you access to make cancellations.

1. In the menu [Laboratory info], select [Subscriptions].
2. You will now see an overview of your EQA-programs, see the example below.

The laboratory participates in the following EQA programs

View unsubscribed EQA programs

All EQA programs are subject to continued participtation, as is a subscription.

The laboratory's EQA programs
